Friday, September 12, 2025, 6:30 PM – 8:30 PM
Venus in Taurus (#100, 14 Perron Street, St. Albert)

Step into the world of tarot and discover the wisdom hidden in the cards. This beginner-friendly workshop is designed for anyone curious about tarot—whether you're picking up a deck for the first time or looking to deepen your understanding of the foundations. Together, we'll explore the structure of the tarot, learn how the Major and Minor Arcana weave stories, and practice simple spreads that reveal guidance, clarity, and insight. With this high-level overview you'll leave with practical tools and the confidence to begin reading for yourself and others.

This workshop isn't about memorizing endless meanings—it's about connecting with your intuition and letting the cards become a mirror for your inner wisdom. Through hands-on activities, group discussions, and live demonstrations, you'll begin to see how tarot can be both an empowering tool for self-reflection and a sacred bridge to spiritual guidance. Participants are encouraged to bring their own tarot deck, or they may purchase one at the store with a special 20% off discount.
